We're doing the Aus3!

Run, ride, swim – or just get moving with your favourite sport!

Every physical activity we record moves our class avatar to a new location across Australia. Along the way we discover **real places**, **fascinating facts**, and unlock **rewards and power-ups**. We're getting fit and learning about our amazing country at the same time.

Get Active

Any activity counts — run, ride, swim or more

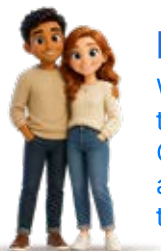

Explore Australia

70+ real locations from coast to outback

Earn Rewards
